7th -11th- Missions Week

21st-End of 9 wks (1st)

26th -Report Cards

From the Office

Dear Parents, ECA would like to extend a heartwarming thanks to you for all your fundraising efforts. Our Booster Club profited about \$2,500 from our fall fundraiser! Thank you for your commitment to helping our school!

Fall Fun

There will be some fall fun happening with the Edge Church at the end of this month. Please be on the look out for more info and plan to have some *free* fun with us!

Missions Week

But how can they call on Him if they have not put their trust in Him? And how can they put their trust in Him if they have not heard of Him? And how can they hear of Him unless someone tells them? (Romans 10:14)

During Missions week at ECA each classroom has chosen a country that they would like to represent. We will hear from real life missionaries from those countries who are coming to share their story and experiences with us. Every morning during a special chapel the children will get to hear what it's like to serve others in a foreign country, while sharing with them the Gospel of Jesus. We will take an offering every morning for our missionaries. If you would like to send change or a contribution in any form, please place it in a Ziploc baggie labeled missions and send with your child each morning.

In addition to special chapel time, your child's class will be learning about their chosen country all week during class time. On Friday at the end of Missions week we will celebrate with International Food Day. Each student is asked to bring a dish from the country their class has chosen. There will be no other school lunch served on this day, so please pack a bag lunch if you think your child may need it.

If you are available to help us set up and serve on International Food day, please email the front office at edgechristianacademy@outlook.com

More information about Missions Week will be sent home soon
