Stanford Testing Requirements

Students K5 and Up must be in class ready to go by 8:00AM during our testing week. Any late arrivals will have to remain in the office until testing for the day is over. If your child is absent from class during any of the testing time, you will have to pay a re-testing fee, as this would require staff having to stay after hours to re-test your child. Please make sure your child receives at least 8 hours of sleep each night during testing and that they have a healthy breakfast each morning. This will help ensure their minds to be clear and focused and best prepared for their testing. If you have any questions about what expectations are please contact the office and we will be happy to assist you.

Whose Got Spirit?!

In the spirit of fun, join us March 9-13th and participate in spirit week!

Tuesday- Crazy Hair-Don't Care

Wednesday- Decades Day

Thursday-Tacky Day

Friday- Pajama Day

Also, during spirit week we will sell chain links for **\$1 each**. The classroom who sells the most chains will win a special celebration! All proceeds will go to support our Booster Club. **Our canteen will also be stocked with lots of drinks, candies, snacks, and food items during spirit week.** Help support our Booster Club by purchasing snacks from our canteen that week!
