- 23rd- Fall Fundraiser Begins
- 30th- Book Fair-Tentative

Orientation Night

It's Back to school time! Come meet your child's teacher, see the classroom, and find out all you need to know for the coming school year. See you in the auditorium at 6:30PM on Friday, August 13th.

First Day of School

School begins August 16th @ 8:00AM! Drop off time is recommended by 7:45AM so your child has time to get to class and unpack their bags before class begins. Please make sure all snacks and breakfasts are consumed prior to 7:45AM. To prevent the spread of germs, please drop your child off at the front door. If necessary, you may come into the office. We kindly request currently, parents do not go to the classroom. This is to minimize the spread of germs and the possibility of having to do a shut down. Thank you!

Read-a-Thon

Our most important fundraiser of the school year begins August 23rd! Your child will receive 20 donation letters to give to friends, family, and small businesses that would be willing to sponsor your child in our annual read-a-thon. Please fill out the letters and address them in the provided envelopes. Once you turn them back into the office, and we verify your participation, we will then mail the envelopes off for you. In return for sponsorships, your child is committed to reading a preferred 20 minutes or more a day for the next 30 days! Please help us in making sure your child completes this goal.

**"A child who reads,
will become an
adult who thinks."**

School Lunch

K3 & K4 preschoolers have lunch provided for them as part of their weekly tuition. Students K5 & up must purchase a ten-day lunch ticket for \$30 from the office. Tickets go to the child's teacher and she will mark them as they are used. We will provide a monthly menu so that you may decide what days your child would like school lunch. Every Friday is Pizza Day. If your child will eat more than once slice of Pizza, extra may be purchased for \$1 a slice.

After School Clubs

~Dance ~Cooking~ Bowling~

~Run Hard ~ Music~

More information coming in your parent packets to be given on Orientation Night.
