Missions Week

Each year during missions week ECA students learn about missions in the U.S. as well other parts of the world. We have missionaries come and speak to our students Monday-Thursday at 8:30AM in our auditorium, At the end of the week we celebrate with international food day where students can sample different foods from the places they learned about. You will soon receive more specific information regarding missions week if you have not already. Please be sure to check your emails, class dojos, and folders for any information that gets sent home.

International Food Day

International food day can not be made possible without you! Please be on the look out for information from your child's teacher in regards to how you can help make this a special experience for all. Please note, pizza will not be served on this day. We encourage you to send a bag lunch with your child incase they are not interested in any of the foods that will be provided.

Run Hard

Due to the lack of interest in Run Hard this season, it has been cancelled. If you have already paid, please be assured you will be refunded. We encourage all our parents with students in 3rd grade or higher to learn more about the Run Hard program and its benefits. Be ready to sign up for the spring season!
