## Spelling Bee

We are looking forward to our annual spelling bee coming up on Thursday, Dec 15<sup>th</sup> @ 6:30PM. Spelling bee participants who arrive late or out of dress code (no jeans) will be automatically disqualified. Winners of our spelling bee (3<sup>rd</sup> grade and above) will move on to compete in the State Bee in the spring.

## Pre-School Christmas Program

K3 & K4 Christmas Program will begin promptly at 6PM on December 16<sup>th</sup>. Unless a costume has been designated for your child to wear, all students are asked to dress in Christmas attire.

## Academy Christmas Program

K5 & Up Students will perform their annual Christmas performance on December 16<sup>th</sup> at 7PM.

Unless students have asked to be in costume, please have them dress in Christmas attire.

## Missions Update

Thanks to all our parents, students, and private donations our bake sale earned 353.50 for World Vision missions. With this we are purchasing for families in needy areas, 1 goat, 2 ducks, 3 rabbits and 4 chickens. We are also purchasing 4 Bibles in whatever language our families need, 2 sets of mosquito nets for families and we purchased \$50 worth of medications. Furthermore, our donations raised during mission's week was sent to sponsor 2 children in the Dominican Republic and to support a missionary planning a trip to India. What a beautiful thing it is to be able to extend God's blessings so that others may see His love for them and also be blessed. Thank you again!

## From the office

Is anyone else mind blown that we are already halfway through a school year when it truly feels like we just started?

During this season of giving, we would love if you would find some way to spread the love of Jesus. Pray and ask God how He would like you to show His

love by blessing others. It could be through a simple harvest hope donation, toys for tots, or looking into World Vision to see how you can also help families in need. Additionally, our local children's home and foster homes are always in need of clothes and toys.

They are grateful for new or used items.

Thank you as always for being a part of our school. We are preparing your children for a bright future, with convictions, and a love for Jesus in mind. Speaking of the future, ECA has some exciting announcements coming in the spring regarding the future of our school. Stay Tuned...and Be Blessed!

**MERRY CHRISTMAS!**
