- 27th- Kindergarten Graduation Photos

Booster Club Report

Thank you to all our parents who supported us in our spring fundraiser. Because of your efforts we were able to raise enough money to upgrade our academy whiteboards.

Soon our classrooms will have magnetic whiteboards which are more durable and user friendly for our teachers as well as our students. Thank you for helping us make our classrooms better!

Spring Photos

On March 27th it is picture day for K3-K5 students. Also, any student who missed fall photos and would like to do a yearbook photo that day is welcome to as well.

Dress your best Dr Seuss, on March 2nd in honor of Dr. Seuss's birthday.

Parental Involvement

ECA is starting up a PTA. We want to hear from our parents, and we want you to be involved! Please send an email to our school and let us know if you are interested in being apart of the PTA. We will contact any one that shows interest with further information as soon as it becomes available.

Additionally, we are looking for any parents who may be in sales and would like to offer some marketing advice to us. Please contact Erika Rabon to set up an appointment at your convenience.

Now Hiring!

Would you or someone you know like to be added to our list of substitutes?
We invite you to apply at the front desk.

Also, our childcare is looking for fulltime and parttime workers. Contact Mrs. Jackie at 803-926-9222 if you are interested.

Standardized Testing

March 20th-24th is testing week. If you have not already submitted your \$ 50 fee for spring testing, please make sure you do that as soon as possible.

Coming to ECA!

ECA is growing and so is our commitment to better serve and meet the needs of our families.

We are in the process of expanding our administration team and we will soon be sharing more information on that.

As you know, we now have high school. We have plans to add a guidance counselor to our staff to help students navigate scholarships, college applications, and more.

We are also partnering with Midlands Tech so that our high school students can not only earn college credits, but even graduate with an associate degree.

Many exciting things coming to our school next year and we welcome you to be apart of it all! If you have questions, ideas, or concerns we would love to hear them!

Congratulations

ECA is proud of our dance team for taking home 1st place trophy in state competition in the jazz division!
